### THE AREA

Bournemouth is one of the largest and most popular sea-side towns on the south coast of England. Famous for having the best and driest weather in the UK it has always been one of the most popular places to visit for enjoying the British coast. Over 7 miles of beaches alongside beautiful parks and gardens it is an area of exceptional beauty but also has some of the best entertainment attractions, food and shopping available in the whole country. A very popular destination for international high school students due to everything it offers.

### THE COLLEGE

The largest provider of Further Education (FE) and Apprenticeships in the area. Well known for their strong focus on developing the work skills of their students, so that when they complete their studies, they are ready to start or to progress within their chosen career. Home to around 11,000+ students from across the region, the UK and the world, the college's academic results are high and continue to improve. A great place for international high school students to study. 9/10 students say they would recommend The Bournemouth & Poole College to a friend.
