### THE AREA

With its stunning seaside location, unique shopping, famous nightlife and close proximity to London, Brighton has long been one of Britain's most popular places to live and study. Brighton is exciting, multicultural and vibrant. A city that is both large enough to contain everything that you could want; shopping, restaurants, and an entertainment scene that attracts tourists from across the UK, but still small enough to feel like a real, friendly community. Alongside popular tourist attractions like the Royal Pavilion, Brighton Pier and the Lanes shopping area, culture is a big part of Brighton.

### THE COLLEGE

Varndean College is a wonderful place to study and to work in, it is a college with a difference. Situated on a lovely spacious green campus with stunning views of Brighton and the sea, offering over 30 traditional A Levels, a wide range of vocational BTECs and a number of GCSEs, as well as the increasingly popular International Baccalaureate Diploma. Varndean is truly exceptional; they have an outstanding academic track record, as well as a real community atmosphere and set of values which helps students to reach their full potential. With outstanding facilities, Varndean is a superb choice for international high school students.
